

CERTIFICATE

Bureau Veritas Certification Holding SAS - UK Branch certifies that the Management System of

**LIMITED LIABILITY COMPANY
RESEARCH AND PRODUCTION COMPANY
WITH FOREIGN INVESTMENTS UKRTRUBOIZOL**

2, st. Zavodska, village Meliorativne, Samarivsky district,
Dnipropetrovsk region, 51217, Ukraine

has been audited and found to be in accordance with the requirements of the management system standards detailed below

ISO 14001:2015

Scope of certification:

Design, production and application of anti-corrosion and smooth pipe insulation.
Production of longitudinal steel pipes with a diameter of 406,4-1422 mm (16"-56") for gas, oil pipelines, oil product pipelines, heating networks and general-purpose pipelines with external and / or internal anti-corrosion, smooth or insulating coatings.
Production and distribution of pipeline systems and components for gas pipelines, water supply, sewage, ventilation, heating networks and building communications.
Production and distribution of pipes and shaped plastic products:
– polyethylene pipes (PE 80, PE 100, PE 100-RC) for: construction of gas pipelines, cold water supply networks (including domestic and drinking purpose); pressure and non-pressure, sewage systems; cable sewage, drainage, water drainage; ventilation systems and rainwater drainage systems.
– polyethylene pipes (including coextruded with protective and cleaning layers).
Production and distribution of pre-insulated pipeline systems:
– steel pipes and shaped products for them: thermally insulated with foamed polyurethane (PU) and/or polyurethane based on a composition with cyclopentane; with a protective shell of galvanized steel or polyethylene; for construction and reconstruction of hot water supply networks and heating networks.
– shaped products (elbows, bends, tees, compensators, end elements), shut-off valves in thermal insulation.
– kits for insulation of end connections, protective shells made of polyethylene and steel of the SPIRO type.
– flexible plastic pipes based on structured polyethylene PE-Xa for cold and hot water supply networks, insulation – foamed polyurethane.

Certificate number:
UA232178

Original certification date:
10 February 2020

Current cycle start date:
06 February 2026

Expiry date:
09 February 2029
(Subject to the continued satisfactory operation of the organisation's Management System)

Version N: 1

Issue Date:
06 February 2026

Olena Svyrydenko
